Re: Mitigation for/ Curtailment of Diversion of Ground Water Rights With Priority Dates Junior to July 30, 1883,
Located in Water District 34, Big Lost River

Dear Sirs,

In reference to the order requiring mitigation of ground water in the matter of distribution of water to water right numbers 34-372A, 34-372B, and 34-690B, I submit the following.

As I did not plant any crops this year I have not turned on my irrigation pump, nor will the pump be turned on anytime during the year 2004.

I hope this satisfies the above referenced order. If not please call me.

Sincerely,

Max Bingham
